

PRO-AM SPONSORSHIP PACKAGES

Imagine your client's excitement when you extend the invitation. A day at the pro-am, a big party the night before and a gift package filled with all kinds of coveted goodies. The day unfolds with a pre-round meal with your playing partners before you set off for the best four hours you can spend on a golf course. After the scorecards are tallied, your crew retires to replay every hole and create life-long golf tales at a post round reception.
