

VALERO ENERGY CORPORATION

AUDIT COMMITTEE CHARTER

Article I. Purposes

1. The Audit Committee of the Board of Directors of Valero Energy Corporation assists the Board in oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the qualifications and independence of the Company's independent auditor, and (iv) the performance of the Company's internal audit function and independent auditors. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty or responsibility of the Committee or its members to plan or conduct "field work" or other types of auditing, legal or accounting procedures. The Company's management is responsible for preparing the Company's financial statements and the independent auditor engaged by the Committee is responsible for auditing those financial statements.
2. The Committee prepares the report required by the rules of the Securities and Exchange Commission for inclusion in the Company's annual proxy statement.

Article II. Composition

1. The Committee shall be composed of at least three members of the Board, one of whom shall be designated by the Board as Chair. Committee members are appointed by the Board on the recommendation of the Nominating/Governance Committee of the Board. Members of the Audit Committee may be removed by the Board.
2. Each member must meet the independence and experience requirements of the New York Stock Exchange, the requirements of Section 10A(m)(3) of the Securities Exchange Act of 1934, and any other standards prescribed by applicable law or regulation.
3. Each member of the Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after appointment to the Committee. At least one member of the Committee shall have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment. The Board may presume that a person who satisfies the definition of "audit committee financial expert" as stated in Item 401(h) of Regulation S-K has the requisite accounting or related financial management expertise.
4. Committee members may not simultaneously serve on the audit committees of more than two other public companies. A member's service on the audit committee of one or more closed-end funds within a single family of funds will be deemed to be membership on only one audit committee for purposes of this standard.

Article III. Duties and Responsibilities

The Committee shall take the following actions – in addition to any others it deems necessary or appropriate – to fulfill its responsibilities under applicable law, regulation, or this Charter.
