Valero Marketing and Supply Company
Effective October 1, 2002, the postings below have changed from Diamond Shamrock Refining Company L.P.’s price postings and are now listed under Valero Marketing and Supply Company.

Crude Oil Price Bulletin for the Month of February 2020

Effective 7:00 a.m. on the date(s) shown below, Valero Marketing and Supply Company (“Valero”) hereby posts the following prices per barrel of 42 U.S. gallons for merchantable sweet crude oil and condensate (collectively, the “Crude Products”) from the corresponding fields and areas designated below. These prices are for informational purposes only and do not constitute an offer by Valero to buy, sell, or exchange any Crude Product. Any terms and conditions regarding the price that Valero would be willing to pay for any Crude Product are subject to the provisions set forth in any applicable written contractual agreement(s) and/or division order(s) to be entered into by and between Valero and a prospective buyer, seller, or exchange customer.

Caution: Each of the prices listed below is subject to change without advance notice by Valero, furthermore, the posting below of any price for any Crude Product, as well as the terms and conditions of any purchase, sale, or exchange of such crude product, is subject to (a) the applicable laws, rules, and regulations of all governmental and administrative authorities having jurisdiction over the subject matter in question, and (b) Valero’s own applicable rules and guidelines.
