ENVIRONMENTAL

We are committed stewards of the environment.

Since 2000, Valero has spent **$1.6 billion on infrastructure projects** to improve air quality and enhance safety

McKee operates a 50 megawatt wind farm which reduces its conventional power and provides an estimated annual **offset of more than 6,700 tons of CO_2 and 1,200 tons of air emissions** such as carbon monoxide, sulfur dioxide, nitrogen oxides, and particulate matter.

The wind farm **reduces the amount of water required** to generate conventional electricity by roughly **70 million gallons**

HEALTH & SAFETY

Safety is our foundation for success.

OSHA Voluntary Protection Program (VPP) **Star Site**, OSHA's highest plant safety designation for exceptional safety practices and procedures

Conducts **annual emergency preparedness drills** with local agencies

American Fuel and Petrochemical Manufacturers (AFPM) Elite Silver and **Innovation Awards** in 2022, **Elite Gold Award** in 2023, and **Elite Platinum** and **Safety Achievement Awards** in 2025

2023 **Valero Chairman's Safety Award** recipient

COMMUNITY

We share our success with the communities where we live and work, through volunteerism, charitable giving and the economic support of being a good employer.

More than **$10.4 million** charitable giving since 2016

We proudly partner with **Community Organizations:**

- Snack Pak 4 Kids
- The Bridge
- Freedom Texas Center
- CASA 69

More than **$3.1 million** awarded since 2016 to local children's charities through funds raised by the Valero Texas Open and Valero Benefit for Children events
